LIBRARY

Dear Parents and Carers

We are excited to inform you that Lurnea Public School is in the process of turning our library into an innovative 21st Century learning space for our children. As part of this process, we will be providing every child in school with a library bag **free of charge**. Children are expected to bring their library bags to school so they can borrow books from the library. Parents and carers can check the school website for library days under the School Years Tab using the link below.

We look forward to this exciting project and will continue to keep you updated along the way.
