

20 May 2013

Dear Parents and Carers

Stage 2 students have recently studied the topic *Sound* as part of the Science and Technology and Creative Arts curriculum. Students have been learning about the different ways that sound can be produced and how different instruments are used to create pieces of music.

We are pleased to announce that Stage 2 students will attend an excursion to Olympic Park where they will watch a captivating performance by the Sydney Symphony Orchestra. Students will be taken by bus to the venue to attend the performance. After the performance, we will have a picnic lunch in the parklands.

When: Tuesday 28 May 2013

Time: We will leave LPS at 9:00am (SHARP) and will aim to be back by the 3:00pm bell.

Where: ANZ Stadium, Olympic Park

Lunch: Recess, lunch and a water bottle must be packed in a plastic bag and clearly labeled with your child's name.

Students are expected to wear full school uniform including their school hat and black school shoes.

If your child requires medication, please advise on this form and send with your child on the day.

Please send back the signed permission note with any outstanding curriculum contribution payments to your child's classroom teacher Friday 24 May 2013.

We look forward to discovering more about sound.
