The information you provide will be used to process your child's application for enrolment, which may include a risk assessment. It will only be used or disclosed for the following purposes:

- Communication with students and parents or carers

- To ensure the health, safety and welfare of students, staff and visitors to the school

The health-related information collected is subject to the *Health Records and Information Privacy Act 2002*. It is being collected for the primary purpose of ensuring the health and safety of all students, staff and visitors to the school. It may be used and disclosed to medical practitioners, health workers, other government departments and/or schools for this primary purpose, or for other, related purposes.

Do parents have to answer the questions?

We are required by law to ensure the health and safety of students, staff and visitors on our premises. It is therefore necessary for you to answer all questions on this form except those about your occupation and education.

The information you provide will assist the school to communicate with you and to care for your child while at school. Should you choose to submit an incomplete form, processing your application may be delayed and the quality of our service to you may be affected.

Giving false or misleading information is a serious offence. In the event that statements made in this application later prove to be false or misleading, any decision made as a result of this application may be reversed.

Why have we asked for information about your occupation and education?

All Australian Education Ministers have agreed on National Goals for Schooling in the 21st Century. The National Goals specifically state that the achievement of students in schools should not be affected by discrimination based on sex, language, culture and ethnicity, religion or disability; or by differences arising from social and economic background or geographic location. The goals also

state that 'the learning outcomes of educationally disadvantaged students [should] improve and, over time, match those of other students'.

To help us to make sure we are achieving this goal, all parents across Australia, no matter which school their child attends, are being asked to provide information about family background. The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

We use the information to evaluate whether our policies are effective and to ensure that no group is experiencing undue disadvantage because of their economic or social background.

Providing information about your occupation and education is voluntary but your information will help us to ensure that all students are being well served by Australian schools.

The four groups listed on page '2' are used by the Australian Bureau of Statistics to classify occupations. Please choose the group that you think best describes you. If you have retired or stopped work in the past year please choose the group in which you used to work.

You will need to use this table to answer the questions on pages '4-5'.

Secure Internet Access and Email

Students are provided with an Internet and email account to enable learning opportunities in a protected and secure environment. Students must abide by the school's policy when using the DEC Internet and email services.

Parents will need to inform the school in writing if they do not want their child to have access to the NSW DEC Internet and email facility.

Photographs at school

Taking photographs of students can constitute a collection of their personal information. Occasionally photographs are taken of individual students and classes of students at school.

If you **do not wish** your child to be photographed under any circumstances, please make sure you have specified this on page '8' of this form.
